BACKGROUND AND SKILLS

I began my athletic career as a professional wrestler for WOW – Women of Wrestling in 2000. I have gained training as a fighter (wrestler and street), stunt driving (right/left hand driver, automatic/manual driver), high speed, 90's, 180s, crashes, motorcycles, ATVs, body burns, fire work, wire work, **and am great with lines and dialogue.** And as always, I am willing to learn new skills.
